

Perfect Competitive Market :

- large number of buyers and seller
 - free entry and @ free exit
 - products are homogeneous.
 - Uniform price
 - perfect knowledge about the product
 - No advertisement.
 - No attachment in buyers and seller.
- Eg → Vegetable market

Imperfect Market :

Monopoly :-

character ~~and~~ (features)

- Single seller, large number of buyers
 - No close substitute
 - Barriers on the entry of new @ firm
 - Customer Exploitation
- ↳ Eg :- Indian Railway is the best example of Customer Exploitation
